DEVON AND CORNWALL HOUSING ASSOCIATION (DCH)

Social housing landlords, DCH, (Devon and Cornwall Housing Association) have been working with CDP for around three to four years now, with the company providing printing and design services for DCH across a variety of work, including the production of rent statements for its tenants.

“They have provided advice as well on elements where cost savings could be made in terms of the design and layout on print jobs,” states Nikki. **“They are always quick to respond whenever I call and come back to me when needed.”**
